

EOI: NON-EXECUTIVE DIRECTOR/BOARD MEMBER

Do you feel strongly about creating a safer WA? Make a lasting difference toward injury prevention, safety promotion and injury recovery as part of an inclusive and professional Board.

Who is Injury Matters?

Our team has been helping people across WA prevent and recover from injuries since 1992.

From road safety to trauma recovery, falls to substance-related harm, we lead vital, often life-saving injury solutions and collaborations that empower us all to live life to the full. At home. At work. And on the go.

The Injury Matters team is dynamic, caring, and values-driven, keeping our shared purpose to prevent and reduce the impact of injury and support people at the heart of our work.

We are seeking expressions of interest from Non-Executive Directors to complement the skills and experience of our existing Board. We are interested in applicants who have one or more of the following skills:

- A solid foundation within injury, public health, preventative health, mental health, aged care, or disability.
- Commercially focused with strategic thinking, holding Business Administration, Gove and/or ICT qualifications and significant practical experience in applying this within a NFP, NGO or charity landscape.
- Comprehensive skills and experience in IR, HR, and organisational psychology and development.
- Extensive experience within media, communications, or PR within an NFP, NGO or charity setting.
- Significant advocacy, stakeholder, and government engagement experience leading to positive change for organisations and community outcomes.
- Demonstrated experience sourcing and growing funding pathways within a NFP, NGO or charity setting.

The role:

As a Non-Executive Director, you will be part of building our new strategic plan in 2024, providing support for implementation and progress toward agreed outcomes. As well as:

- Provide governance oversight and monitor the high-level performance of the organisation.
- Use your skills and experience to ensure the organisation achieves its vision, mission, and strategic objectives.
- Contribute to Board meetings and ad-hoc committee meetings as they arise.
- Participate in high-level organisational activities and events where possible.
- Attend as many of the 6 Board meetings, AGM, and Committee meetings as possible, supporting key organisational events where possible and relevant throughout the year.

To support your commitments, you can attend meetings online or in-person at our office in the heart of Leederville.

More about you:

- You care about preventing injury, reducing harm, and supporting people and communities impacted by injury.
- You are skilled at building relationships and working collaboratively.
- You are values-driven and feel strongly about welcoming everyone to the table.
- You can obtain a National Police Clearance and meet the requirements to be listed as a director per ASIC and the ACNC.

It would be great if you have had previous board or Committee experience and a working knowledge of the injury sector. However, our experienced Board have the capacity to support an appropriately skilled person with their governance journey.

You will be paid a small sitting fee for each Board Meeting to cover expenses such as parking or travel to Board Meetings.

At Injury Matters, our team is central to achieving amazing things. We encourage expressions of interest from all backgrounds, genders and life experiences.

[Our current strategic plan](#) is a great place to learn more about our journey.

What next?
